

Portland UIC permit and aquifers

Rene Fuentes to: Kristine Koch

Some more for the ground water discussions that apparently may be coming up. What makes this interesting is that it is what the City and State used for a "UIC fact sheet and permit", so they would have a hard time

Here is an interesting document which deals with the aquifers. First look at this figure and then maybe at some of the other info in the document.

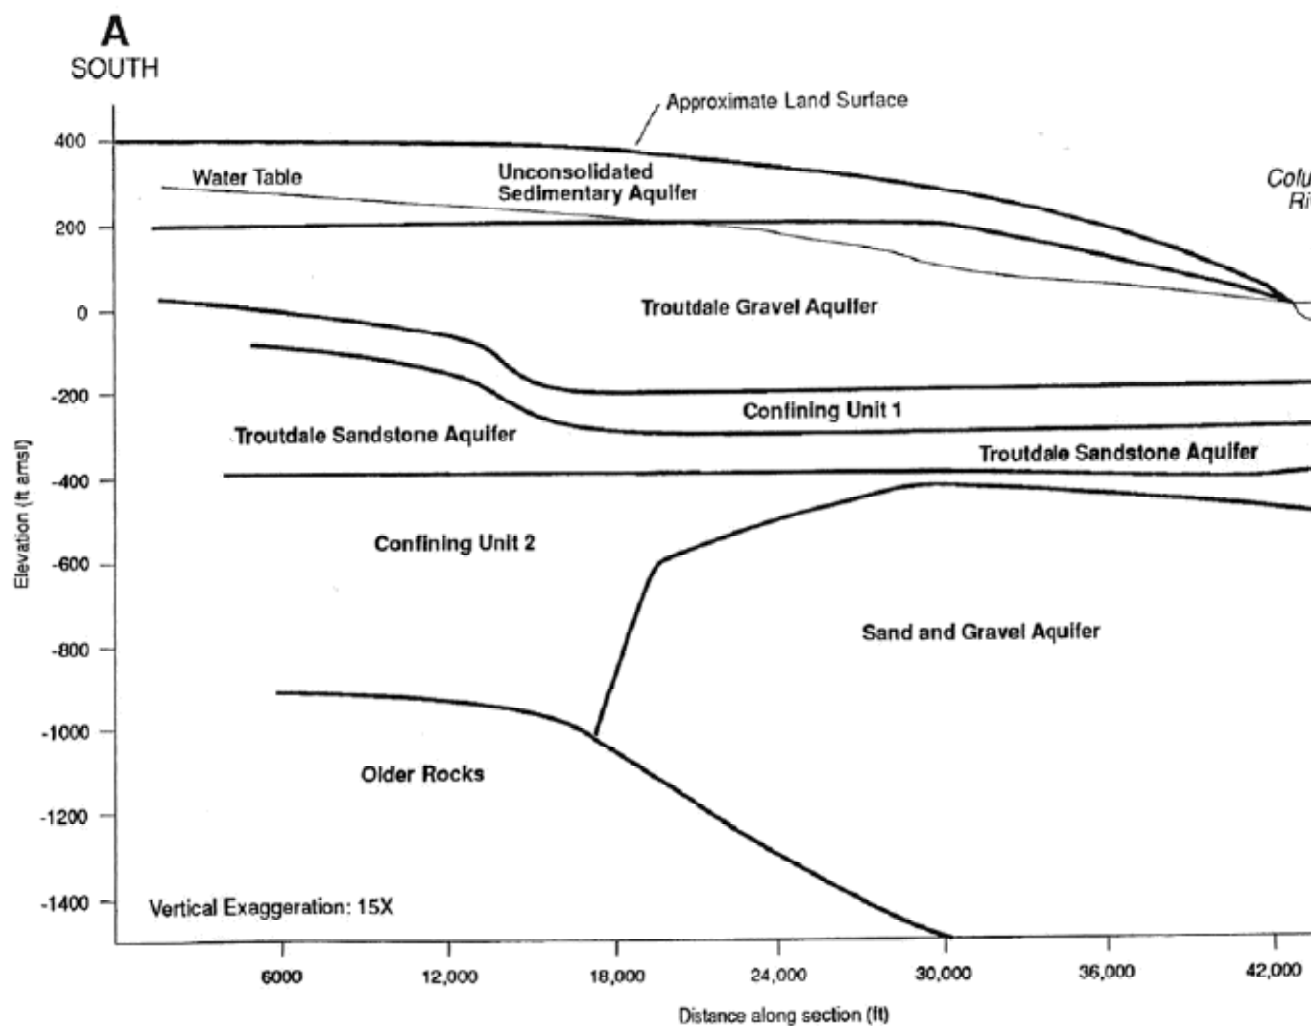

Figure 4
Schematic Representation of Hydrogeologic Aquifer
Units in the Portland Basin
(From Golder, 1993)

<http://www.deq.state.or.us/wq/wqpermit/docs/individual/wpcf/evalrpt.pdf>

Also some interesting maps in electronic pages 13 & 15.

Here is the main page link. <http://www.deq.state.or.us/wq/uic/permits.htm>
